Dear Applicant:

Thank you for your application for Disaster Business Loan. Your request was carefully considered and we regret to inform you that your application was denied for the principal reasons stated below.

Unsatisfactory history on an existing or previous SBA loan - Unsatisfactory payment history

Our records indicate that you or a related party associated with the current loan request is named on an SBA loan that has an unsatisfactory payment history.

As a result of this unsatisfactory performance, we are unable to offer you additional SBA loan assistance.

Not eligible due to policy reasons

There are significant discrepancies between the information in your case file, including the Federal Income Tax information obtained from the Internal Revenue Service, in comparison with the information you provided with your SBA Disaster Loan Application. As a result, you are not eligible for SBA disaster loan assistance.

If you disagree with our decision, you have the right to request reconsideration. Your request must comply with the following requirements:

1. Be submitted through the MySBA Loan Portal no later than August 22, 2025.
2. Contain significant new information that you believe will overcome the decline reason(s).
3. The following documentation is required by SBA to further evaluate your request:
 - Supporting documentation required for SBA to evaluate your reconsideration request.
 - Detailed explanation of the circumstances that resulted in the unsatisfactory performance on an existing or prior SBA loan.

Due to the nature of this decline, not all processing functions have been completed, including your eligibility for the requested disaster loan. If you ask us to reconsider our decline decision, we will do so based on the information you provide and that is available at the time of your request. This could result in a different reason(s) for not approving your loan request.

The SBA has local offices in your community which can refer you to resources that may be able to help you address the underlying reason for your loan denial. For more information on these services, please go to www.sba.gov/local-assistance to locate the email address and phone number for the nearest SBA district office and/or SBA's resource partners. Please call or email for a virtual appointment.
