## **PETITION**

To the Honorable Judge of the Probate Court:

I, Thurman Earl Robinson Jr., hereby petition this Court for an Order appointing me as Administrator of the Estate of my late father, **Thurman Earl Robinson Sr.**, who died intestate on February 15, 2022, and state as follows:

## I. FACTUAL BACKGROUND

1. The decedent, **Thurman Earl Robinson Sr.**, was a resident of Los Angeles County, California, at the time of his death.
2. The decedent died intestate, leaving no valid will or trust on record, although a trust and corporation with EIN X7-X57XXX1 were established in 2021, no trust documents have been presented or filed.
3. The estate includes real property located at **525 E Seaside Way, Unit 1004, Long Beach, CA**, purchased on November 24, 2015, by the decedent who signed the grant deed as **“an unmarried man.”** This fact establishes that the property is the decedent’s separate property under California Family Code §§ 770 and 2581.
4. The surviving spouse, **Fatimah Calvin Moore**, was married to the decedent in August 2016, after the property purchase, and has no legal ownership interest in the property.
5. My siblings and I have been estranged from the decedent’s spouse since at least 2020, with no meaningful communication or involvement in estate matters.
6. The decedent lived separately from Fatimah for at least 2-3 years prior to his death, maintaining his own residence at the condo.
7. Fatimah has unlawfully occupied the decedent’s property since his death without legal title or authority.
8. During the decedent’s lifetime, Fatimah engaged in a pattern of **emotional, verbal, and financial abuse**, including:
  - a. Mocking and belittling the decedent’s age and medical conditions, including erectile dysfunction.
  - b. Threatening divorce repeatedly, causing severe emotional distress.
  - c. Manipulating and isolating the decedent from family members, including locking out his children from communication channels.
  - d. Unauthorized control and depletion of bank accounts, retirement funds, and insurance proceeds.
  - e. Running up credit card debts on paid-off cards, adding herself as an authorized user without consent.
  - f. Misappropriating approximately \$25,000 from an AAA insurance policy.
  - g. Preventing heirs from accessing information or managing estate affairs.
9. Since the decedent’s death, Fatimah has continued to make **unauthorized transactions**, including changes to bank accounts, credit cards, and insurance payouts, causing financial damage and hardship.

10. I have sent substantial sums to an estate bank account intended to connect with a trust, but Fatimah took over control and misused the funds.
11. I am the only child who lived with and cared for the decedent throughout his life and am willing and able to administer the estate faithfully and prudently.
12. The decedent's siblings have not engaged with the estate and have not communicated regarding their interests or responsibilities.

## **II. LEGAL GROUNDS FOR APPOINTMENT**

1. Under California Probate Code §§ 8000 et seq., as a child and heir of the decedent, I have standing to petition for appointment as Administrator of the estate.
2. There is no known will or trust probated or filed until I speak with all 3 siblings so I will work on that with the certificate of service because one of my brothers signed his Marriage Certificate; therefore, the estate is intestate and subject to California intestate succession laws (Probate Code §§ 6400 et seq.).
3. The decedent's property is separate property, purchased prior to marriage, and the surviving spouse has no legal claim to ownership (Family Code §§ 770, 2581).
4. The Court should issue Letters of Administration to authorize me to:
  - a. Collect, manage, and preserve estate assets, including real property and financial accounts.
  - b. Provide notice to heirs and creditors.
  - c. Investigate and pursue claims of elder abuse, financial exploitation, and fraud.
  - d. Petition for eviction of unauthorized occupants.
  - e. Distribute assets lawfully and equitably to heirs.
  - f. Seek reasonable compensation for my administration services (Probate Code § 10810).

## **III. REQUESTS TO THE COURT**

I respectfully request the Court to:

1. Issue Letters of Administration appointing me as Administrator with full authority under Probate Code §§ 8400 et seq.

2. Order notice of administration be given to all heirs, interested parties, and creditors.
3. Issue protective orders restraining Fatimah Calvin Moore from accessing or disposing of estate assets pending administration.
4. Order banks and financial institutions to freeze estate accounts and provide full transaction histories since February 15, 2022, Accounting and Discovery Motion.
5. Grant me authority to take possession of estate property(s) and pursue unlawful detainer actions and transfer title, deed and ownership of home, if necessary.
6. Authorize me to investigate elder abuse and financial exploitation and take all legal actions to protect the estate.
7. Award reasonable compensation for my services as Administrator.
8. Grant any other relief the Court deems just and proper.

## **IV. DECLARATION**

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

## DECLARATION OF THURMAN EARL ROBINSON JR. IN SUPPORT OF MOTION FOR TRO

I, Thurman Earl Robinson Jr., declare:

1. I am the petitioner and son of the decedent, Thurman Earl Robinson Sr., who passed away on February 15, 2022.
2. The decedent owned a condominium at 525 E Seaside Way, Unit 1004, Long Beach, CA, purchased on November 24, 2015, before his marriage to Fatimah Calvin Moore in August 2016. He signed the grant deed as “an unmarried man,” establishing the property as his separate property under California Family Code §§ 770 and 2581.
3. Fatimah Calvin Moore has no legal ownership interest in the property and has unlawfully remained in possession since the decedent’s death.
4. Fatimah has exerted unauthorized control over the decedent’s bank accounts, retirement funds, and insurance proceeds, including misappropriation of approximately \$25,000 from an AAA insurance policy.
5. Fatimah added herself as an authorized user on credit cards without consent and allowed multiple accounts to default, causing financial damage to the estate.
6. I have sent substantial funds to an estate account she commandeered and misused.
7. Fatimah has isolated my father from family members, including myself and siblings, preventing communication and access to estate information, causing emotional distress and financial harm.
8. I have reason to believe Fatimah is continuing to dissipate estate assets through unauthorized transactions and may attempt to frustrate estate administration.
9. I seek immediate relief to freeze estate assets, prevent unauthorized access, and protect estate property pending appointment as Administrator.
10. The harm to the estate and heirs is irreparable without court intervention.

I declare under penalty of perjury under California law that the foregoing is true and correct.

Thurman Earl Robinson Jr.

# MEMORANDUM OF POINTS AND AUTHORITIES IN SUPPORT OF MOTION FOR TRO

## I. INTRODUCTION

Petitioner seeks a Temporary Restraining Order to protect the estate of Thurman Earl Robinson Sr. from ongoing financial exploitation and unlawful possession of real property by his surviving spouse, Fatimah Calvin Moore. The evidence demonstrates a pattern of elder abuse, misappropriation of assets, and disregard for legal property rights, warranting immediate court intervention.

## II. STATEMENT OF FACTS

- The decedent purchased the Long Beach condominium prior to marriage; it is separate property (Family Code §§ 770, 2581).
- Fatimah has no legal ownership but occupies the property unlawfully.
- She has controlled and depleted financial accounts without authority, misappropriating funds.
- Petitioner is the only child who cared for the decedent and seeks to protect the estate and heirs.

## III. LEGAL ARGUMENT

### A. The Court Has Authority to Issue Protective Orders in Probate Matters

California Probate Code §§ 8500 et seq. authorize the court to restrain persons from interfering with estate administration and to protect estate assets.

### B. Elder Abuse and Financial Exploitation Justify Immediate Relief

Welfare & Institutions Code §§ 15610.30 et seq. define elder abuse to include financial abuse and exploitation. Courts may issue restraining orders to prevent further harm. (See *In re Marriage of Sorensen* (1993) 14 Cal.App.4th 1504, 1517; *People v. Schaefer* (2017) 9 Cal.App.5th 798.)

### C. The Separate Property Rights of Petitioner Must Be Protected

California Family Code §§ 770 and 2581 establish that property acquired before marriage remains separate and is not subject to community property claims by the surviving spouse.

#### D. Irreparable Harm and Likelihood of Success on the Merits

Without a TRO, estate assets will be dissipated, and the property unlawfully occupied, causing irreparable harm. Petitioner is likely to succeed as Administrator and rightful heir. (See Cal. Code Civ. Proc. § 527.)

#### IV. CONCLUSION

For the foregoing reasons, Petitioner respectfully requests the Court grant a Temporary Restraining Order restraining Fatimah Calvin Moore from accessing estate assets, occupying estate property, and requiring disclosure of all estate-related financial transactions pending further order.

PROPOSED ORDER FOR TEMPORARY RESTRAINING ORDER

#### INCIDENT DESCRIPTION:

I am reporting serious allegations of elder abuse, financial exploitation, identity theft, and privacy violations concerning the estate of my late father, Thurman Earl Robinson Sr.

My father passed away on February 15, 2022. Prior to and after his death, Fatimah Calvin Moore, his surviving spouse, engaged in the following unlawful acts:

- She emotionally abused my father, mocking his medical conditions and isolating him from family.
- She controlled and misused his financial accounts without authorization, including withdrawing funds, running up credit card debts, and misappropriating approximately \$25,000 from an insurance policy.
- She added herself as an authorized user on multiple credit accounts without consent, constituting identity theft and fraud.
- She unlawfully occupied the decedent's separate property after his death, refusing to vacate despite no legal ownership.
- She intercepted confidential estate and business documents, including corporation paperwork and EIN notices, intended for me as the authorized financial manager, breaching privacy and confidentiality laws.
- It is believed that Fatimah has a history of suspicious deaths of former spouses, raising concerns about her conduct.

I have been the sole person managing my father's finances, including paying debts, filing taxes, repairing credit, and handling mortgage payments. Fatimah has ignored all attempts to communicate or cooperate, instead obstructing estate administration.

#### LEGAL VIOLATIONS SUSPECTED:

- Elder Abuse: Welfare & Institutions Code §§ 15610.30 et seq.
- Financial Elder Abuse: California Civil Code § 3345
- Identity Theft and Fraud: Penal Code §§ 487, 530.5
- Breach of Privacy / Confidentiality: Possible violation of Civil Code §§ 1798 et seq.
- Unlawful Possession: Trespass and unlawful detainer under Code Civ. Proc. §§ 1161 et seq.

REQUEST:

I request a full criminal investigation into these allegations, and for the District Attorney to file charges for elder abuse, financial exploitation, identity theft, and privacy violations as warranted.

I am prepared to provide all supporting documentation, testimony, and cooperation.

Wherefore, Petitioner prays the Court:

A. Confirm 525 E Seaside Way, Unit 1004, Long Beach, CA, as an asset of the Thurman Robinson Trust.

B. Authorize Petitioner to record Exhibits A (Quitclaim Deed) and B (PCOR) nunc pro tunc to September 22, 2021.
